The Principles are applicable across the UK. The same core values are also described in different ways in documents and strategies in the four countries, such as 'the 6Cs' (nursing care that is about Care, Compassion, Commitment, Communication, Courage and Competence) in England.

### **Principles of Nursing Practice - RCNi**

This article will demonstrate how the Royal College of Nursing's (RCN's) Principles of Nursing Practice (2010) and the 6Cs (Cummings and Bennett, 2012a; 2012b) can be applied to stoma care nursing. The multidimensional role of the stoma care nurse means that he or she is well placed to improve quality and standards in stoma nursing care.

### **Incorporating the Principles of Nursing Practice and the 6Cs**

Health and social care may change over time with new policies and governments, but the need to look after patients with dignity and compassion always remains consistent. The 6Cs of nursing stand for the professional commitment to always deliver excellent care. Each value is equal, not one is more important than the other.
