The decline and fall of the British Empire : a brief

The origins of the British Empire can be seen as going back to the Middle Ages with the beginning of the conquest of Ireland (1169) and conquest of much of France during the Hundred Years' War. However, the modern British Empire can be considered having started in 1497 with John Cabot's claim to Newfoundland.

History Of The British Empire And Commonwealth

The first British Empire was a mercantile one. Under both the Stuarts and Cromwell, the mercantilist outlines of further colonization and Empire-building became more and more apparent.
