In popular culture, the Bro Code is a friendship etiquette to be followed among men or, more specifically, among members of the bro subculture. The term has been popularized by Barney Stinson, a character from the television show *How I Met Your Mother*. Katherine Connor Martin, head of content creation at Oxford Dictionaries, recognized Stinson as "the quintessence of a certain iteration of the ...

The first part of the script consists of @load directives which process the __load__.bro script in the respective directories being loaded. The @load directives are often considered good practice or even just good manners when writing Bro scripts to make sure they can be used on their own. While it's unlikely that in a full production deployment of Bro these additional resources wouldn't ...
