Water privatization is used here as a shorthand for private sector participation in the provision of water services and sanitation. Private sector participation in water supply and sanitation is controversial. Proponents of private sector participation argue that it has led to improvements in the efficiency and service quality of utilities.

The Joint Contracts Tribunal, also known as the JCT, produces standard forms of contract for construction, guidance notes and other standard documentation for use in the construction industry. From its establishment in 1931, JCT has expanded the number of contributing organisations. Following recommendations in the 1994 Latham Report, the current operational structure comprises seven members ...
