The 16 Career Clusters - careercoachondemand

Design is the creation of a plan or convention for the construction of an object, system or measurable human interaction (as in architectural blueprints, engineering drawings, business processes, circuit diagrams, and sewing patterns). Design has different connotations in different fields (see design disciplines below). In some cases, the direct construction of an object (as in pottery ...

IMAGE: Victoria Henshawâ€™s Sheffield smell walk, mapped. Regular Edible Geography readers will know that smellscape is a recurring subplot of this blog â€” a diversion that I justify on the basis that roughly ninety percent of what we perceive as taste is actually smell. For the most part, the built environment consists

of accidental and overlooked odours – an unintentional backdrop of ...
