Pavement Standards. Use the following links to view general information and policy determinations that guide pavement standards and procedures: Highway Design Manual (HDM)

Division of Maintenance - Pavement

A highway is any public or private road or other public way on land. It is used for major roads, but also includes other public roads and public tracks: It is not an equivalent term to controlled-access highway, or a translation for autobahn, autoroute, etc. . According to Merriam Webster, the use of the term predates 12th century. According to Etymonline, "high" is in the sense of "main".
