Quote HSE " Success in managing major Hazards is not measured by the Occupational Health and Safety Statistics but by measuring the performance of critical systems used to control risks to ensure they are operating as intended.. This statement is a very powerful statement and i want to stand on the premise that it should form the basis of assessing and formulating regulation regimes.

Topic 9: Safety and risk management in oil and gas

This paper is derived from a pilot project implemented by Habitat for Humanity during 2012-2013, where the author was a technical advisor. Rapid urbanisation and the growth of slums in developing countries such as Bangladesh has led to slum upgrading as an approach to address the problems of the urban poor.
