Bibliography of Social Science History. Joseph Hayim Abraham Uncle of Isaac Hai (Jack) Jacob, 5.6.1908-26.12.2000

Social Science History Bibliography

A scientific theory is an explanation of an aspect of the natural world that can be repeatedly tested and verified in accordance with scientific method, using accepted protocols of observation, measurement, and evaluation of results. Where possible, theories are tested under controlled conditions in an experiment. In circumstances not amenable to experimental testing, theories are evaluated ...

Law is a system of rules that are created and enforced through social or governmental institutions to regulate behavior. Law is a system that regulates and ensures that individuals or a community adhere to the will of the state. State-enforced laws can be made by a collective legislature or by a single legislator, resulting in statutes, by the executive through decrees and regulations, or ...

The term typology is used in many fields. For example are Carl G. Jung's psychological types famous (). In Library and Information Science (LIS) is typology used, for example about document typologies. Web of Science, for example, distinguishes between article, book review, letter, review, proceeding paper and other types of documents.
