Richard Wayne Bandler (born February 24, 1950) is an American author and trainer in the field of self-help. He is best known as the co-creator (with John Grinder) of Neuro-linguistic programming (NLP), a methodology to understand and change human behavior-patterns. He also developed other systems named Design Human Engineering (DHE) and Neuro Hypnotic Repatterning (NHR).

Richard Bandler - Wikipedia

Time is the indefinite continued progress of existence and events that occur in apparently irreversible succession from the past through the present to the future. Time is a component quantity of various measurements used to sequence events, to compare the duration of events or the intervals between them, and to quantify rates of change of quantities in material reality or in the conscious ...
