Origins. The term "Third Way" has been used to explain a variety of political courses and ideologies in the last few centuries. These ideas were implemented by progressives in the early 20th century.. The term was picked up again in the 1950s by German ordoliberal economists such as Wilhelm Röpke, resulting in the development of the concept of the social market economy.

**Third Way - Wikipedia**

Marketing strategy is a long-term, forward-looking approach to planning with the fundamental goal achieving a sustainable competitive advantage. Strategic planning involves an analysis of the company's strategic initial situation prior to the formulation, evaluation and selection of market-oriented competitive position that contributes to the company's goals and marketing objectives.
