2. Data and method. The opinion of tourism stakeholders on the potential to use well-being as a tourism product resource is not fully understood. In the current study, focus groups were conducted to investigate barriers and enablers of following this marketing direction.

Exploring well-being as a tourism product resource

Unfortunately, there has been little discussion of either the problems of market-share management facing the high market-share company or of the actions it should consider.

Strategies for High Market-Share Companies
