

marriages and families changes pdf

Marriage, also called matrimony or wedlock, is a socially or ritually recognised union between spouses that establishes rights and obligations between those spouses, as well as between them and any resulting biological or adopted children and affinity (in-laws and other family through marriage). The definition of marriage varies around the world not only between cultures and between religions ...

Marriage - Wikipedia

Arranged marriage is a type of marital union where the bride and groom are selected by individuals other than the couple themselves, particularly family members, such as the parents. Depending on culture, a professional matchmaker may be used.. Arranged marriages have historically been prominent in many cultures. The practice remains common in many regions, notably South Asia, though in many ...

Arranged marriage - Wikipedia

A: VA recognizes a Veteran's marriage if the marriage was recognized under the law of the place where at least one of the parties resided when they were married or when the claimant became eligible for benefits. VA now recognizes all same-sex marriages without regard to a Veteran's current or previous state of residence.
