The most recent of these is entitled "The Art of Deduction" by Taz Rai and is a detailed analysis of Holmes methods against several well-known text books on logic and deduction. It is a very well-researched book which quotes frequently and accurately from my stories to present the key skills that anyone wishing to emulate the Great Detective will need to master.

### **The Art of Deduction - John H Watson MD**

The Art of Deduction will teach you: How the different aspects of Holmes's™ personality feed his deductive skill. How to examine situations rationally, and avoid forming erroneous conclusions. The concepts and ideas underpinning the study of logic and deduction, focusing on how they relate to the talents and skills displayed by Holmes.
