I see that David Benatar's excellent book Better Never to Have Been: The Harm of Coming into Existence has just come out in paperback. It's almost enough to make me regret that I am on sabbatical this coming year. In my Contemporary Moral Issues course I always teach abortion as the first topic, because it gets them to read two of my favourite pieces of applied philosophy, Thomson's A ...

What is a Non-Governmental Organization?

Alger Hiss (November 11, 1904 — November 15, 1996) was an American government official who was accused of being a Soviet spy in 1948 and convicted of perjury in connection with this charge in 1950. Before he was tried and convicted, he was involved in the establishment of the United Nations both as a U.S. State Department official and as a U.N. official.
